SCULPTURE

MEDIA RELEASE

Exhibition Dates: 4 - 21 May 2017
15 Royston Street Paddington NSW 2021
Open 7 days 10am to 6pm

Australian Galleries is delighted to present a large collaborative exhibition of sculptural works by a selection of over 20 contemporary Australian artists, both established and emerging.

Each of the artists in this exhibition has a distinct visual language and a personal approach to creating three dimensional artworks from a wide variety of media, the result of which is a vibrant and diverse exhibition celebrating the quality and breadth of artists who are involved with Australian Galleries.

"There's no denying that sculpture presents interesting challenges and an exhibition of 20 sculptures can be more complicated than an exhibition of 20 paintings. The revered sculptor Inge King often made this remark to me when installing her exhibitions and then we'd look at each other and laugh because it's just the way it is. There's no doubt that Australia loves its sculptors. Australian Galleries has long been a champion of sculpture, the original gallery in Melbourne still creaks from a two tonne marble sculpture shown 20 years ago, and at present 40 of our represented artists work in the medium of sculpture."

- Stuart Purves, National Director Australian Galleries, 2017.

This exhibition features several large scale pieces as well as a wide selection of smaller works. Steel, bronze, copper, aluminium, ceramic, porcelain and mixed media are explored across myriad individual styles and techniques to create this remarkable showcase of dynamic figurative, geometric and abstract sculptural works.

***Sculpture* is current until 21 May 2017.**
